

ALOK PRADHAN

REACT JS DEVELOPER

Hyderabad, India | palokPradhan6371@gmail.com | +91 6371277537

SUMMARY

React JS Developer with hands-on experience in developing scalable, user-friendly web applications using React, JavaScript, and modern UI libraries. Skilled in state management, API integration, Redux Toolkit , and performance optimization. Passionate about clean code and reusable components.

TECHNICAL SKILLS

Programming Languages: JavaScript, Java
Front-End Development: HTML5, CSS3, React.js
Back-End Development: Node.js
Frameworks: Tailwind CSS, Angular JS
Database Management: MongoDB, MySQL
Development Tools: Visual Studio Code, Git, GitHub

PROFESSIONAL EXPERIENCE

- React Js Developer, Krisantec Solutions** Dec 2025-Present
- Worked on building user interfaces using React JS and JavaScript. Created reusable components, handled state using hooks, and integrated APIs. Gained practical experience in debugging, responsive design, and modern front-end development
 - Used Redux / Context API for global state management.
 - Worked with React Router for client-side routing.
 - Improved UI using Material UI ,Bootstrap ,Tailwind CSS.

PROJECT

Grocery Web App (React JS)

- Developed a grocery web application using React functional components and hooks with state management via Redux Toolkit
- Implemented features like debounced search, category filters, and a cart system with dynamic price calculation.
- Integrated APIs with proper loading and error handling, built responsive UI using Material UI, and deployed on Vercel.

Social Media Web Application

- Developed a social media platform using React JS with features like user authentication, post creation, likes, comments, and user profiles.
- Implemented real-time feed, follow/unfollow functionality, and global state management using Redux Toolkit.
- Integrated REST APIs with loading and error handling and built responsive UI using Material UI and React Router.
